

DaVE – Training Course

Visualization is key to understanding complex systems

We are pleased to offer you a one-day training course to start creating comprehensive visualizations and improve your skills with DaVE.

You will learn...

- The key concepts of DaVE
- How to design systems with DaVE
- How to import data into DaVE and create complex visualizations
- How to compare your data to quickly gain key insights
- How to create exports to use your visualizations outside of DaVE

Date: 18th June 2024

Time: 9 a.m. – 5 p.m. (CET)

Language: English

Location: Online

If you have any questions or would like to register, please contact training@tlk-thermo.com.
